***"CHANGE IS GOOD BUT FRESH IS BETTER!"***

Max's Restaurant first opened its doors in July 1984. That was the same year in which the Soap Opera had its television premiere and the Olympic torch was being carried down State Street. That was a great year for Santa Barbara!

Max's Restaurant has been in Santa Barbara for 27 years. The Max's philosophy is simple: the freshest ingredients, reasonable prices and of course a friendly casual atmosphere. It is no surprise that the current owner was one of the first hires when Max's opened for business. She is still in contact with the original owner as well as past management. Although Santa Barbara has undergone tremendous changes since 1984, Max's is still the same little restaurant on upper State Street and still serving the best breakfast in town. After all, change is good but fresh is better!

A 15% Gratuity charge will be added on parties of 8 and above.

The substitutions and/or sides available are for an additional charge.
